2020 Discussion Prompt:

How is STEM helping me to thrive during the COVID-19 pandemic?

Tell us how your STEM learning experiences have helped you to thrive during remote or face-to-face learning, or how knowledge of STEM topics and science concepts help you to understand what's going on around the world related to the pandemic. You can also discuss how you have used critical thinking or solved problems while adjusting to life's "new normal" in school or at home.
