

CAREER COUNTDOWN

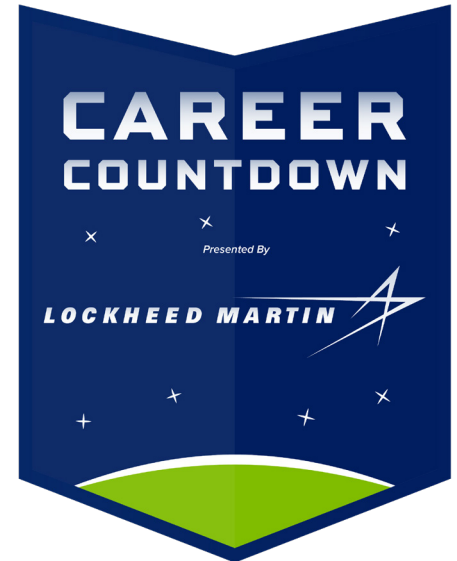

Presented by Lockheed Martin

Right for you?

Are you trying to make decisions about your future career? It's never too early (or too late) to learn what exciting opportunities are out there. Whether you're a rising high school freshman or a senior, there are innovative STEM companies changing the world who want you to be a part of their future team. Join us for Career Countdown, where you will get a front row seat to virtually connect with STEM professionals and learn about the cutting-edge projects and different types of careers available at Lockheed Martin. When you register, you will be entered for an opportunity to ask a Lockheed Martin engineer or high school intern a question about their careers.

About Lockheed Martin

At Lockheed Martin, there's no better place to begin your professional career. Lockheed Martin employees contribute to projects in Aeronautics, Space (spoiler alert: there's a Mars mission!), and more. Work in a fun and stimulating environment where innovation and high performance are the focus. Lockheed Martin is ready to connect with you, the world's future leaders, and aims to equip you with the tools you need to be successful.
