## Attention Getters

When I say "holla"  
you say "back."  
HOLLA!

BACK

- What is cool...right now?
- How can we include movement into attention getters?
- How can we make connections?

## Everybody **Shares**

### Differentiation

- Add sentence frames or vocabulary
- Allow pictures or drawing
- Set expectations for responses (rubrics, checklists, etc.)
- Provide tools to support conversations
  - Highlights, stickies, etc.

## Gear Up with Gratitude

~The quality of being thankful or grateful~

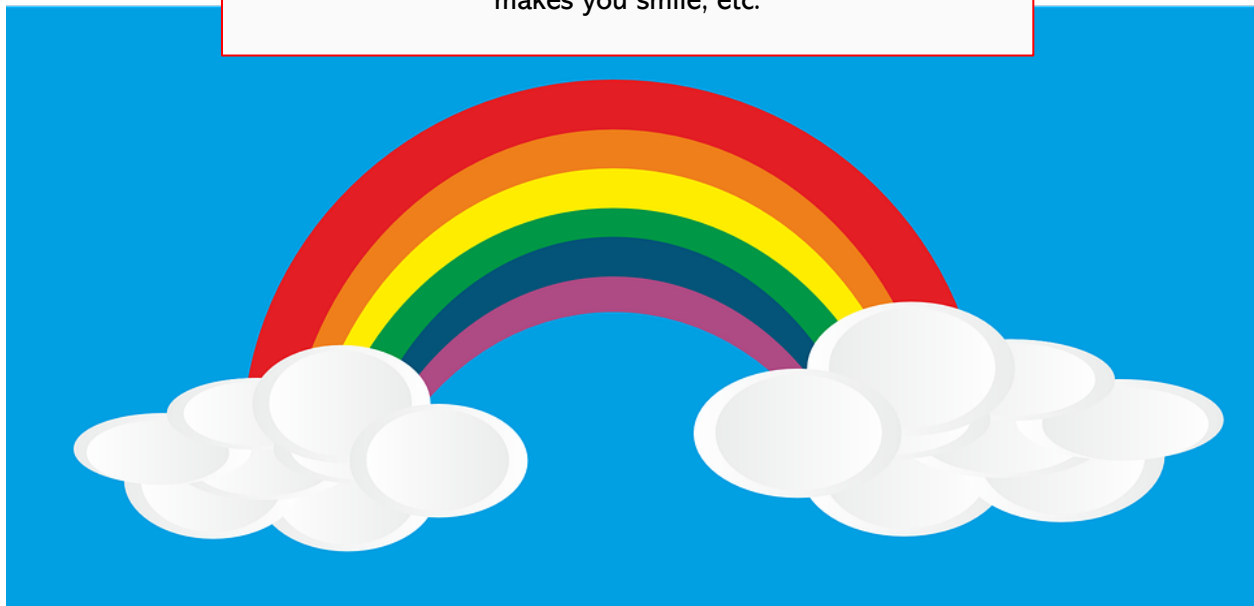

- Little actions have big results
- Setting up students to practice gratitude is a life-long skill
- Gratitude opens doors for support and inspiration which have long-term social value

Facetime					
		<b>Check-In</b>			
		What are you grateful for?			

Created *by* Teachers *for* Teachers and Students

## Gratitude Hunts

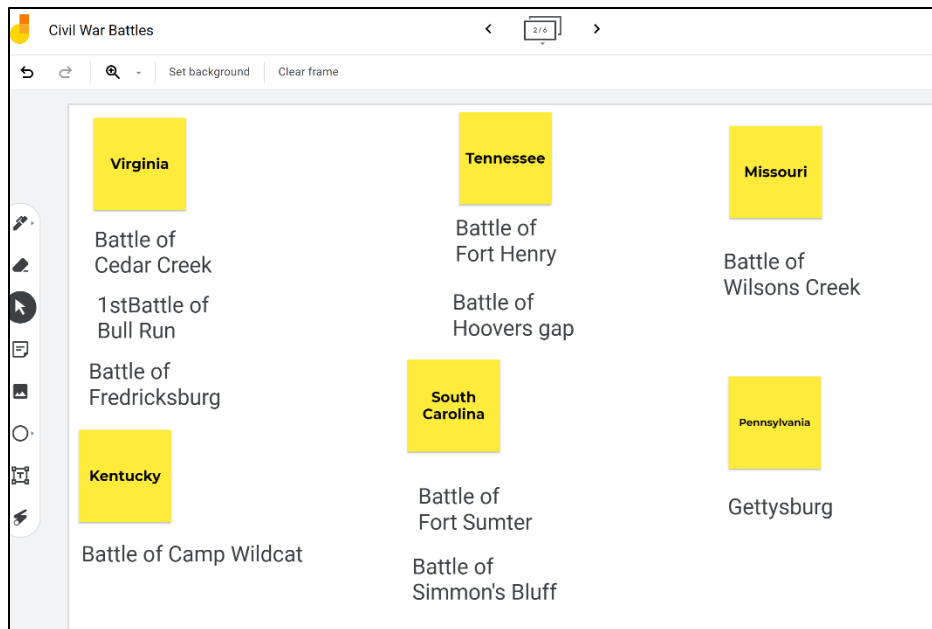

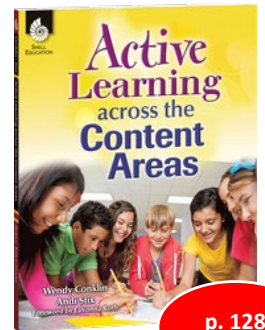

Take a brief and brisk walk around your space. Find an item from each of the colors of the rainbow that brings you joy, makes you smile, etc.

Created by Teachers for Teachers and Students

## The Sorting Bag

- Promotes classification
- Allows for vocabulary usage
- Builds knowledge through discerning differences
