Center for Advanced Studies

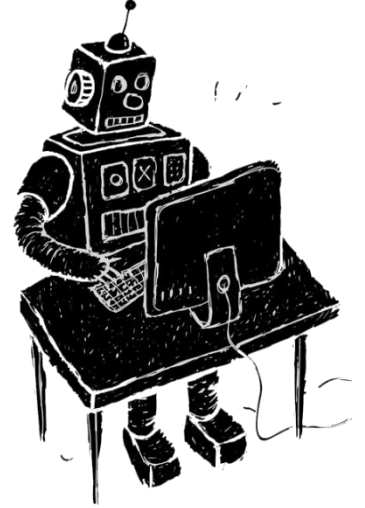

Wheeler High School's Robotics and Programming Camp

for students who have completed
6th, 7th, or 8th Grade

Robotics & Programming Camp includes instruction by certified teachers, snacks, daily supplies, a takeaway project, and a camp t-shirt.

This five-day camp will offer students the opportunity to design, build and program robots, as well as an opportunity to learn some computer programming basics in a fun and supportive atmosphere.

A maximum of 40 participants will be accepted on a first-come basis. The camp is contingent on a minimum of 25 participants and is subject to cancellation if there is a lack of participants. Participants will be notified by June 1st if the camp is cancelled.

\$300 is due upon registration.

The deadline to register is **May 17**
